NOTICE TO THE PUBLIC

The Commission of Game and Inland Fisheries at a meeting held in Richmond, Virginia, on February 23, 1979, adopted the following amended or new regulations pursuant to Sections 29-125, 29-126 and 29-127 of the Code of Virginia, to become effective July 1, 1979.

CHAPTER 23.
Fishing Generally.

R23-6. In accordance with authority conferred by §29-11 of the Code of Virginia, the Commission finds and declares the following species to be predatory or undesirable within the meaning and intent of those terms as used in § 29-158 of the Code, in that their introduction into the State will be detrimental to the native fish resources of Virginia:

(a) piranha (any of the genus Serrasalmus, Rooseveltie l la, Pygocentrus), walleye catfish (any of genus Clarias), cichlid (Texas) perch (Chichlasoma cyanoguttatum) grass carp (any of genus Ctenopharyngodon).

It shall be unlawful, pursuant to § 29-158 of the Code, to import, cause to be imported, buy, sell or offer for sale or liberate within the State any of the above-named species unless a permit therefor is first obtained from the Commission.

* * *

R23-6.1. It shall be unlawful to stock any fish species into any State-owned impoundment, or any impoundment under the control of the Commission, without first obtaining a permit to do so from the Commission.

* * *

R23-9. (a) Unless otherwise posted at each recognized entrance to any Commission-owned or controlled lake, pond or stream, the hours of use shall be from one hour before sunrise to one hour after sunset.

* * *

R23-13. No person shall organize, conduct, supervise, or solicit entries for, striped bass fishing tournaments, rodeos, or other striped bass fishing events on the inland waters of this State, for which prizes are offered, awarded, or accepted, either in money or other valuable considerations, without having applied for and obtained a permit from the Commission to do so. The Executive Director is authorized on behalf of the Commission to issue or deny permits pursuant to this regulaiton after consultation with the State Fish Biologist or other appropriate members of the Fish Division staff.

* * *

Chapter 27. Minnows, Hellgrammites and Crayfish.

R27-2. Minnows may be taken from the public inland waters by any person for private use as bait and not for sale with a minnow haul seine not exceeding four feet in depth by fifteen feet in length or by an umbrella net not exceeding five by five feet or five feet in diameter and with small minnow traps. No permit shall be required for taking minnows for private use.
